

Mad Science[®] of Southern MA & RI

Mad Science would love to help your Girl Scouts earn their Try-It Patches or Junior Badges! Mad Science offers many different Workshops that, aside from being a whole lot of fun, also cover many of the requirements for patches or badges. Some Workshops can even be applied to more than one recognition!

Mad Science Workshops are an hour of fun and exciting activities and demonstrations. A Mad Scientist will travel to *your* location, bring all of the materials necessary, and of course clean up after themselves when they're done.

Sample Workshops:

If you are working towards:

Brownie Try-It Patch

Bugs.....
Home Scientist.....
Inventor
Mechanical Engineering: Fling Flier
Robotics.....
Senses
Space Science Adventurer
